CURRICULUM VITAE

I have experience in customer service, however, my true passion has always been in programming and development, and I have strong attention to detail and inclination for problem-solving. To build upon this interest, I have recently graduated from a coding Traineeship as a full stack developer including completing 2 real-world projects successfully to specification using a wide range of programming languages. I have excellent customer service, communication, teamwork and organisation skills and a strong work ethic. I am looking forward to establishing a career in the development field where I can prove myself as an asset.

PERSONAL DETAILS

NAME: Lukasz Mazur

RESIDES: Horsham

TRANSPORT: Full UK driving licence and vehicle

CODING TRAINEESHIP   **IT Career Switch Ltd**
Coding Traineeship – Full stack developer
1-year program

During the traineeship I had to demonstrate a very competent level of the following programming languages and technical skills

- HTML5, CSS3, JavaScript
- PHP, SQL, React, jQuery
- Java, Python, C#, Node.js
- Command Line Git, GitHub
- Remote API access

I have recently passed my **Microsoft 98-383: Introduction to Programming Using HTML and CSS**. More information on this certification can be found at: https://docs.microsoft.com/en-us/learn/certifications/exams/98-383

ADDITIONAL TECHNOLOGIES:

- C++, Redux, JSX, MySQL, PostgreSQL, Leaflet.js, Bootstrap, Unreal Engine, ASP.Net Core, Visual Studio

DEVELOPMENT EXPERIENCE:
Below are the two briefs of development projects I completed with IT Career Switch which can be found in my bio:
https://www.lukaszmazur.co.uk/

Portfolio Project #1: "Gazeteer"
The specification was to reply to a website specification for a map-based app to provide information on countries – with a focus on a "mobile-first" development. Preferably using a framework, to then develop HTML, CSS and JavaScript with JQuery modules that use PHP server-based components to source data from third-party APIs (Geonames, OpenWeather). The solution is assessed on its delivery to specification, functionality, and usability.

Portfolio Project #2: "Company Directory"
A more rigorous reply to this specification was required as a user requirements document was needed to be prepared which, when signed off, triggers the release of SQL allowing to develop a "mobile first" application to maintain a company personnel database (MySQL). Sign-off is only achieved upon the student supplying an independently witnessed document providing confirmation of the system's ability to perform error-free.

CAREER HISTORY:

May 2021 – Present   **Tesco.com**
POSITION HELD: **Delivery Driver**

- Drove van
- Delivered shopping on time
- Customer service

May 2016 – Jan 2021   **Norwegian**
POSITION HELD: **Senior Cabin Crew Member**

- Safety of the aircraft, crew, and passengers
- Coordinated and managed crew and workflow
- Supervised and delegated tasks to a team of five people
- Regular checks with crew members to perform up to company standards
- Trained new crew to perform according to company procedures

EDUCATION:
2017 – 2018   **The Open University**
BSc (Hons) STEM

2004 – 2009   **Wroclaw University of Science and Technology, Poland**
Transport Processes
Logistics
Mechanics
Mathematics
Warehouse Management

1999 – 2004   **Wroclaw Technical High School**
Vehicle Mechanic Qualifications
